DT FileCabinet, v.2019.1.0
User Bulletin 8632: Update

9 December, 2019

This user bulletin explains changes that we've made with this update of DT FileCabinet®.

CHANGES

End of support for Microsoft Windows 7
Microsoft announced that they will end support for Windows 7 on January 14th, 2020, and will no longer provide security updates or technical support for that operating system after that date.

For details, see [End of support for Windows 7 and Windows Server 2008 / 2008 R2](#).

End of support for Microsoft SQL Server 2008
On July 9th, 2019 Microsoft discontinued extended support of Microsoft SQL Server 2008 and 2008 R2. This officially ends the lifecycle of this SQL version and Microsoft will no longer provide technical support or security updates. DT FileCabinet now supports Microsoft SQL Server 2012, or higher.

For details, see [Discontinued support for Microsoft SQL Server 2008](#).

Help & How-To Centre
For answers to questions on using Digita FileCabinet, access the Help & How-To Centre by clicking the **Help** link in the Digita FileCabinet menu. You can also enter text in the search field and click the Search button. For more information, including sample searches, see [Finding answers in the Help & How-To Centre](#).
