**User Bulletin FA-17.1.0: Initial Release**

November 20, 2017

---

This user bulletin describes special information related to this release of Fixed Assets CS.®

## ENHANCEMENTS

### Mass divide

You can now divide multiple assets by a percentage if an activity has two or more assets by going to **Edit > Mass Divide** on the Asset List. ([UltraTax CS Ideas Community #532](#))

### Find icon on toolbar

We added a Find icon to the toolbar. This opens the **Edit > Find Asset** dialog.

### State calculations

With this release, we have updated New Hampshire's Section 179 limits for 2017 and future tax years. The Section 179 maximum dollar and taxable income limit increased from \$25,000 to \$100,000 for 2017. For 2018 and future years the Section 179 maximum dollar and taxable income limit increased to \$500,000.

### Updated Forms 4562 and 4797

We have updated these forms for 2017.
