User Bulletin 8538: Update

February 2, 2018

This user bulletin describes a change made to this release of Planner CS.®

CHANGE

Qualified business income deduction with alternative minimum tax

With this release of Planner CS, the qualified business income (QBI) deduction is included in alternative minimum taxable income. The QBI deduction will now be subtracted from the *AGI less deductions* field on the federal AMT > Alt Min Tax tab, applicable for tax years 2018 through 2025.
