HAWAII STATE PRODUCTS

The UltraTax CS programs for Hawaii work together with the federal UltraTax CS programs, reducing state tax return preparation to a few keystrokes—and a few short minutes.

By taking full advantage of the integration capabilities of CS Professional Suite, your firm can reach maximum efficiency, productivity, and accuracy.

UltraTax CS state programs automatically capture all appropriate federal data and calculate the state tax results. You enter data only once to complete both returns, simply and efficiently.

The Hawaii line-up for UltraTax CS includes the Hawaii Individual, Corporate, Partnership, and Fiduciary programs.

ULTRATAX/1040

Multi-state processing

UltraTax/1040 has extensive multi-state processing capabilities with the ability to process several states from one set of federal data.
