This user bulletin describes changes made with this update of AdvanceFlow™.

CHANGES

With this update, we've resolved the following issues.

- In some instances, when you generated a Fund Set report, AdvanceFlow displayed the message, "There was an error processing your request."
- When you attempted to export Trial Balance data from AdvanceFlow to ProSystem fx®, AdvanceFlow displayed the message, "An entry with the same key already exists."
- When you exported tax data from AdvanceFlow to ProSystem fx, \$0 balance items, including income and expense accounts, were included.

HELP & SUPPORT

Help & How-To Center

For answers to questions on using AdvanceFlow, access the Help & How-To Center by clicking the **Help** link in the AdvanceFlow menu and selecting a topic. You can also use the field at the top of the Help menu to search for topics. For more information, including sample searches, see [Finding answers in the Help & How-To Center](#).

Product support

You can email our Support team at advanceflowsupport@thomsonreuters.com. You can also complete a form and send a question to our Support team on the [Support Contact Information page of our website](#). To leave a message and receive a call back from a Support representative, call (800) 968-0600, press **1** for Product Support, press **4** for Accounting and Auditing, and then press **4** for AdvanceFlow. A representative will follow up with you shortly. For additional details (including extended support hours for tax season and hours for other applications), visit the [Support section of our website](#).
