

THOMSON REUTERS

2018 PLANNER CS, v.2018.3.3

User Bulletin 18\_3\_3: Update

July 24, 2019

---

This user bulletin describes changes made to this release of Planner CS,<sup>®</sup> and special information related to the end of support for Microsoft Windows 7.

## CHANGES

### Form 2210 underpayment penalty

The federal module is updated to include a 5% interest rate for tax underpayments for the third quarter of 2019.

### State updates

The following state modules are updated with the most recent information available at the time of this release: Arkansas, Hawaii, Illinois, Indiana, Kansas, and New Jersey.

## SPECIAL INFORMATION

**Important!** In January 2020, [Microsoft will end support for Windows 7](#). Because Thomson Reuters cannot support customers using our applications on unsupported operating systems, Planner CS **will no longer be supported on Windows 7 as of January 14, 2020**. We **strongly** recommend that you upgrade your workstations to a supported operating system soon. For more information, see [End of support for Windows 7](#) in our Help & How-To Center.
